

# Hollow Mat

- Ideal for damp areas and high-traffic pathways
- The holes in the mat allow water to pass through so that you can walk without getting your feet wet, the same as sand and dust: the floor is always clean
- Ideal for humid areas or intensive use: swimming pool access, tents, mobile homes, caravans, etc.
- Set of 4 interlocking mats: you can combine several packs
- Dimensions : 62 x 62 cm

## Technical Description

- Thickness 10 mm
- Material : 100% polyethylene
- High density foam: 95 kg/m<sup>3</sup>
- CAS 9002-88-4

## Mottez Article Code

**Article Code : B518F**

**EAN code : 3234640053820**
