### Bike rack

Article Code : **B134V**  
EAN code : 3234640032078

# Extension Unit for Bikes / Motorbikes / Scooters

## Green

B805V + B806V + B807V

## Black

B805VNO + B806V + B807V

- The extension unit (B807V) is composed of the shelter structure (without the side panel), and a polycarbonate roof which is meant to be inserted in the main shelter (so whatever colour you chose for the main shelter, the extension unit will be compatible with both models, as it is sold without any side panel!).
- Easy to assemble
- Modular by adding infinite Extension units of 2,2m

### Technical Description

- Roof in alveolar polycarbonate - thickness 6mm – Transparent - UV resistant
- Tube Ø 30mm/2 galvanised
- Delivered disassembled
