

Protective overshoes

- These reusable and highly durable overshoes are designed for **intensive use**. They provide effective protection against the elements (rain, mud, snow) and prevent moisture from entering, keeping your feet **dry and warm**.
- Equipped with a **non-slip rubber sole**, they ensure optimal grip on all surfaces. Their discreet design allows them to be worn **without being noticeable**, while providing excellent comfort.
- Thanks to their **quick closure with snap fasteners**, they are easy to put on and take off. Their height allows them to **cover the entire shoe as well as the lower part of the trousers**, providing maximum protection.
- **Versatile**, they are perfect for many activities: **cycling, walking, driving, festivals, camping, gardening, fishing, hiking, horseback riding**, and much more!
- **Easy to clean**, they can simply be washed with water to restore their original condition after use.

Technical Description

- *Material: High-quality PVC, waterproof and reusable.*
- *Reinforced and non-slip sole!*
