

# Protective overshoes

- These overshoes will protect your shoes from various weather conditions (rain, mud, snow).
- Keep them in your car, garden, or take them on camping trips, music festivals, or for fishing and cycling. They will ensure your feet stay dry.
- High-cut design to protect your entire shoe and the bottom of your trousers.

## Technical Description

- *Material: High-quality PVC, waterproof and reusable.*
- *Reinforced and non-slip sole!*
