

# Hand Tool Holder Rail

- The hand tool holder rail is the perfect accessory to keep your workshop perfectly organized.
- Available in 2 sizes, for small and large handles, it securely holds all types of hand tools, as well as wrenches, socket wrenches, and more.
- Thanks to its modular storage system, you can organize your tools according to your needs, saving valuable time every day.
- Both models easily fit into small spaces while providing a practical and efficient storage solution.
- Ideal for accommodating a large number of handled tools and optimizing your workspace.
- Simple, practical, and versatile, the hand tool holder rail is a must-have for anyone who wants storage that is clear, accessible, and adaptable.
