

# XXL Bubble Wrap Roll

## - Garden Use -

- Protect your plants and fragile items with our XXL bubble wrap. Enjoy maximum protection thanks to extra-large bubbles (Ø 32 mm, 10 mm height).
- It is an essential ally for winter protection or for safeguarding your most delicate items.
- Perfect for plant wintering: thanks to the larger bubble size, it's ideal for wrapping plants, shrubs, and fragile pots during the cold season. It provides an effective thermal barrier while allowing the plants to breathe.
- Multi-purpose: ideal for packaging, moving, or storing fragile items, this film is the professional choice for protecting your belongings against shocks, vibrations, and temperature variations.
