

Wheel Chock with Wall mount

- Our wheel chock with wall mount is an essential accessory to ensure safety when parking or working on your vehicles.
- Designed to fit vans, trailers, and cars, it provides optimal effectiveness with dimensions of 23 cm long, 8.5 cm wide, and 11 cm high.
- Robust and reliable, it holds the wheel firmly in place to prevent any unintended movement, even during delicate maneuvers such as loading or unloading.
- It also stands out for its practicality: it comes with a wall mounting plate for easy storage, keeping the chock always within reach on your trailer, vehicle, or in your garage.
- This ingenious system meets the needs of both professionals and individuals, offering safety, space-saving, and convenience.
- Whether you are a transporter, mechanic, fleet manager, or private user, the wheel chock with wall mount is a durable and reliable investment.
- It combines strength, versatility, and organization to ensure simple and efficient use every day.
