

# Electric Charger Wall Mount

- Designed to provide a simple, robust, and efficient solution for organizing your charging area.
- Wall-mounted, this holder securely accommodates an electric vehicle charger or other domestic chargers, compatible with models up to 117 mm in width and 8.7 mm in depth.
- Its universal design ensures a clean, tidy, and durable charging environment.
- The smart structure allows the charging cable to be neatly wound and the charging gun to be safely stored, delivering a clean and professional look in your garage, carport, or dedicated charging space.
- The epoxy-coated finish provides an elegant appearance while enhancing resistance to wear.
- Suitable for both indoor and outdoor use, this wall mount is a reliable, durable, and aesthetic solution, ideal for efficiently organizing your electric charging area.
