EAN : 3234640065212

Blue
Art. Code: M122SBL
EAN : 3234640065427

Selling Points

- **Encourages drivers to slow down: alerts** motorists as they approach pedestrian crossings and places frequented by children, such as schools, nurseries and leisure centres.
- **Enhanced visibility in low light**: reflective strips help drivers see the barrier clearly in the early morning, late afternoon and during the winter months.
- **Robust and weather-resistant**: helps protect pedestrian areas while providing lasting resistance to outdoor conditions.

Technical Description

- Material: Ø 40 mm zinc-plated steel tubing with a painted finish.
- Colours: yellow, blue or red. Other colours available on request.
- Dimensions: length 70 cm × depth 15 cm × height 104.5 cm.
- Ground fixing: two 15 × 15 cm base plates, each 5 mm thick, with four Ø 11 mm fixing holes per plate.
- Weight: 17.00 kg.
